I wish you were here to see how great the grandkids are. You would love them and them you. Delilah Dorian's daughter is now 4 she is so smart and beautiful you would be so proud I am sure you are! Well I know you are smiling down from heaven because someone down here loves you and we all have missed you. It's been a hard 7 years but I still haven't stop trying to gain, What we have lost and what you would you want me to have. Time has gone and yet it feels sometimes it was much sooner then all the years that have gone by that you have left this world. I may not see you and I may not hear and but in my heart I still feel you! I will always be with you and you with me our time was cut short but the memories will live FOREVER TILL WE MEET ONE DAY AGAIN MAY YOU REST IN PEACE MY DEAR!!!
