“ I joined the Salinas family as a Caregiver for papa in April 2023 after been referenced by a client.

*I have worked with over 5 families in San Antonio and i dare say, the Salinas Family are the very BEST! A truly blessed and God fearing family.*

*I cared for papa Salinas for 5 months and It was a great pleasure taking care of him.He is a warm person and always ready to assist me in caring for him. I love him dearly, he gave me fulfilment taking care of him as i saw him as an extension of my biological father. I say "IS" because he has instilled great wealth of training, hardwork, wisdom and kindness and much more (Qualities this world needs) into his kids, this way, he LIVES ON FOREVER ! as an apple will never fall too far from its tree.*

*Papa Salinas didnt speak much but always had a penetrating look which is only coated with love/ warmth and which tells me he sees and acknowledges me. A smile and thumbs up to show he appreciates every care I gave him and when he did speak, it was always something to amaze and make me smile.*

*His legacy lives on, the quality of human beings he birth(His Childen) and trained will forever keep his memory alive and make this world a better place.*

*I pray for more of Papa Salinas in this world. It is a great privilege to have cared and loved on him.*

*Rest on papa at the bossom of your Lord, Jesus Christ, where there is no pain or sorrow till we meet again. You are deeply loved. Adieu*
