

Quon D. Lew

April 16, 1928 - December 24, 2009

Quon D Lew was called back home to be with Our Lord on December 24th, 2009 at the age of 81. Born one of seven siblings to Chinese immigrants, he learned the value of honesty and integrity from his parents Moon and Wong Shee Lew, neighborhood grocers. His father originally immigrated to and lived in Mexico during the Revolution and Pancho Villa days, and was among the Chinese whom aided the US Army in different capacities. In turn it was General John "Black Jack" Pershing whom escorted and helped expedite citizenship into the United States for many Chinese. After graduating Brackenridge High School, Quon volunteered and served in the US Navy during World War II, then returned to earn his BS in Geology from the University of Texas in Austin, then his BBA from St Mary's University and finally his Doctor of Jurisprudence from the University of Texas School of Law. Never shy of work, he had been a Radio Operator, Geophysicist, USAF Security Analyst, Attorney and a Magistrate for the City of San Antonio. Loving the outdoors, Quon enjoyed fishing, hunting and travelling throughout the world. His other hobbies included cooking, reading, studying history and solving crossword puzzles. By far, his true passion was following Texas Longhorn Football and thoroughly enjoyed all four of their National Championships. He is survived by his wife of 47 years Elsie; sons Carlton and wife Maria Elena, Bennett and wife Mandie; grandchildren Lauren, Camryn, Karis, Sean and Lillie; siblings Fing, Fing How and Kenneth. He is preceded by his parents Moon and Wong Shee; brothers Joseph, Jeffrey and George.

Quon will be truly missed. Service to follow and will be conducted for family.
