“ Dorothy Jean,
It is a great blessing to be able to call you, Reggie, Roy , and Lana Lynn friends. Some of my best childhood memories were times spent with y'all. I think I learned a good bit about friendship and hospitality from you. I owe part of my spiritual development to Reggie, who was my Sunday School teacher at a very formative time in my life. He was a person who always made me smile to see him coming — with a smile and twinkle in his eye. You and Reggie showed Ruthie and me true friendship when we were aspiring missionaries to Haiti. You shocked us when, totally unsolicited, you hosted a get-together for us in your home to enable us to share with friends our dreams, plans, and needs. It was a “game changer” for us. We pray that all of you will experience God’s amazing grace and peace that passes understanding now and going forward.

“ So many wonderful memories over 3 generations of friendship with the Holley family. Reggie and Dorothy Jean visiting me in Utah and teaching me (unsuccessfully) to play 42, stories of high school adventures and escapades with my Mom, frequent visits as a child any time we were in San Antonio, meeting for lunch in Schulenburg when we couldn't make it to San Antonio to connect. We will miss Reggie and always remember the wonderful friendship and fun times we have shared.
