“ My beautiful Grandma I miss you so much may you always watch over us from heaven. Thank you for giving me such a wonderful caring mother like you where. My mother is one tough lady I don't know how she is going to do it when she puts your makeup on like she always did for you. I will carry on my memories of you in my heart. It hurts me so much knowing I won't be able to tell you anymore will like a taste of beer or wine. Or even tell you come grandma you have to get strong. I still hear you in my head telling me when are you going to give me grand kids. I will never forget you and I love you so much. This is not a goodbye it's I'll see you soon when we all meet our maker.
