“ Suzanne, Liz, and Billy,

I am sorry to hear of the loss of your mother. I'm sure you are all heart broken.

I read this poem when my father passed and I found some comfort in it, I hope it holds the same for each of you, and your families.

The tide recedes but leaves behind bright seashells on the sand.

The sun goes down, but gentle warmth still lingers on the land.

The music stops, and yet it echoes on in sweet refrains.....

For every joy that passes, something beautiful remains.

My sincere condolences,

“ Dear Snider and Constanzo family,
Rachel and I had so many good memories throughout our lifetime. I still remember how beautiful Rachel looked as my junior bridesmaid so many years ago. The laughter and cousinship we shared will be always cherished. My heartfelt sympathy goes out to all of your family.

All my love,

“ *Dear Rachel*

Thanks for the memories. There are so many. One of my favorites is very recent. You came to my farm and we rode the mule all over. You especially enjoyed seeing the small waterfall and riding along the river. You were so happy and full of life. You were laughing and smiling that beautiful smile. It was just a few months ago that we had so much fun together. Time has rushed by and now you are our perfect angel watching over us. You have shaped my young kids lives and mine too with your beautiful heart and kindness. Thank you Rachel. You are very loved from all who knew you
