

Rafael Alfredo Guevara Spota

May 4, 1955 - October 9, 2018

Rafael Alfredo Guevara Spota passed away peacefully on Tuesday, October 9th 2018. “ We were cubicle neighbors at Wells Fargo for quite awhile. We used to share different types of musicians with each other, and talk about guitar styles. I'm just now learning about his passing. He was a funny, very cultured, friendly person.

“ Alfredo, an unforgettable colleague. I will forever treasure our conversations. You were a man of many interesting topics. Your favorite stories and photos shared were of your precious Rosie. I would always peek at your screensaver to see Rosie's latest picture, and if I asked about her you were prepared to tell of Rosie's latest. You always shared your love for your family. I will miss your wit, your smile, your good heart. Rest in Peace for God has called you to be by his side. To the family may God embrace you with peace and comfort as you endure this difficult loss. May the memories always bring a warm smile forevermore.

“ *Alfredo was such a blessing to know and share a family with. His romance for life was infectious, his chatty warmth unforgettable. His way of being present with all of us is something I hope to hold on to and learn from, a daily gift he brought to all those in his world. So much love to all of the Guevara family -- I miss each of you y estoy contigo esta semana. Peace to you, Alfredo <3*

“ Alfredo,
Cuando sea mi tiempo quiero soñar a través de tus relatos,
enséñame una vez más a viajar en el tiempo,
con la paciencia de los sabios, con la bondad del maestro.

Quando sea mi tiempo platicame de lejanos lugares,
asombra mi mente otra vez con pintorescos detalles,
dime de otra gente, otras costumbres, otras ciudades.

Quando sea mi tiempo repíteme pasajes de antiguos sucesos,
cuéntame historias de leyenda, mito y cuento,
con tus propias palabras, dibujadas en el viento.

Quando sea mi tiempo quiero sentarme a tu mesa,
quiero volver a sentir tu bondad y tu entereza,
caballero noble, caballero de una sola pieza.

Quando sea mi tiempo Alfredo, cuando sea mi tiempo.

Dios los bendiga siempre a ti, Letty, Carlos y Moni,

Con cariño,

Walter CR

You watched your nina leave the nest and become a curious world citizen, after years of hard work and adversity. We had a wonderful weekend with our family in Chicago, and I was so proud to tell you I graduated with honors in international affairs, a degree you and I shared a love for. You could have taught the entire program, dad, on your life experiences alone! I was—and remain—so proud to be your daughter.*
