

## Rainey Faith Garcia

March 6, 2019 - January 31, 2021

Rainey Faith Garcia born March 6, 2019 went to be the Lord on January 31, 2021

Rainey was a happy, energetic, sassy, yet loving little girl who was adored by many. She was diagnosed with AML on May 22, 2020 soon after her first birthday and soon after sister Violet was born. After that she lived in and out of Dell Children's Hospital as she underwent chemotherapy treatment and later turned to getting a bone marrow transplant at Methodist Children's in San Antonio. Her favorite show as a baby was octonauts which soon turned into the wiggles and as she would say, "melmo" (Elmo). Her favorite movies were moana and ugly dolls and would always follow up with an "uh-oh" once over so we could replay them for her. She loved to watch YouTube on anyone's phone and had a cute obsession with baby shark. She loved to dance her little heart out and love on her sissy almost every chance she had. Rainey was a great big sister to little sister, Violet, and loved to feed her, give her hugs and kisses, her pacifier when noticeably upset, and would even try to pat her okay when she would cry. Her favorite color was "lellow" and loved cookies and peaches. She was the biggest cuddle bug and inside her arms were the most comforting place to be. Even through all the hospital stays and treatments she kept a smile on her face with a positive, uplifting attitude. No one has come close to having her strength and ability to stay happy through it all. We should all strive to be like Rainey. Strive to have her strength, her kind heart, her ability to put a smile on anyone's face, and most important, her bravery

through everything that came at her. Rainey touched so many lives throughout her journey here on earth with us and she will be forever missed and in our hearts.

“ Sending our deepest condolences on the loss of Rainey Faith. She was a beautiful little girl and so very sweet. She got to meet Sophia when Sophia was a newborn and I still remember holding her when she was 3 months old. Such an adorable baby with big eyes. We still have some of her old cute outfits that we are getting ready to pass on to baby #2! We had so much fun at Rainey's 1st birthday, Sophia had a blast in the ball pit with her. I remember thinking boy this girl can eat!! Rainey had hamburgers and candy and looked so cute that day! We are sad we weren't able to make more memories together but we always kept Rainey in our prayers. Haley and Isaiah, y'all were great parents to that little girl and she was blessed with sooo much love! Praying for comfort for your family during this time, Rainey has been healed and made new and is in the arms of our Creator waiting to see y'all again one day. We love y'all.
