Yolanda, both Connie and I want thank you greatly for your lovig support as unique 'Mentor' to my sister Heien during your early close friendship. “ My name is Filiberto "Fil" Vega, son of Elena Montalvo Vega. My Grandfather was Pedro "Pete" Montalvo, Refugio's brother. It was nice to meet some of my cousins at the viewing. On behalf of my family I would like to offer my deepest condolences and may God's Peace comfort the family during this time of sorrow. It was wonderful to hear the story from Ana and Yolanda about my mother being involved as "Cupid" in getting Ralph and Yolanda together.

“ To all the Montalvo family, I am so sorry and our hearts hurt for your loss. Mr. Montalvo was a great man all around and I fell in love with him too because I know how much he loved my sister and my beautiful nieces. Sofia and Celeste adored him and I know he made them feel so very special all the time. I know he takes a piece of all our hearts with him but I know that our loving God will help fill that void. I pray for all of you as I can't even imagine your pain. I pray for peace in your hearts and trust that you know our great God gained another Angel in heaven for sure. We love you all and will see you soon. Hugs and love, RP and Sheila Nilsson

“ Yolanda, you have lost a wonderful husband and the children a loving husband. All of us who have been honored to work with Monty have lost a friend, a role model, and a magnificent colleague. Monty was the best at what he did, but it was his humility, his integrity, and his patient centered sensitivity that we will remember the most. He graciously worked with me at Wilford Hall and at the UT Health Science Center. His professional legacy will continue in the thousands of patients whose life he improved and the doctors and technicians he taught. He was truly a beautiful man who touched so many and will remain in all our hearts.
