“ *What a sad day it was. I'm still in disbelief that our dear friend has left us. My dear wife Kathy has known him way before Me. When I met Kathy over 25 years ago, we visited him. That was the first time I met him. He was very kind and me and him became friends very quickly. He build a wonderful home for his family. He own a very successful business as a landscaper and he was very good at it. He has designed a lot of landscapes for many of his customers.*

*I remember him taking our picture in front of his house. He was also a great photographer. What everyone may not know is that he also took pictures at our wedding and! He was our Best Man! We couldn't have anyone better. We also attended Lorriane's quienceanera or maybe it was her sweet 16th Birthday. (sorry my memory is not as good as it once was) we all called him Ram. Ram loved to come down to Corpus to visit and go to the beach. Ram and Kathy loved the beach. I'm not a beach person so i didn't go, LoL. I believe the last time Ram came down is when they went to the beach.*

*One other thing I remember is when we went to a club in San Antonio where they had Karaoke. Ram was like, you can't sing! Kathy said "yes he can just wait and see". After I sang my song by John Michael Montgomery's "Be My Baby Tonight. He was like wow! you can sing. We just laughed! He would always bring up that evening. I remember it like it was just yesterday. As I write this, it just brings tears to my eyes!! Our Ram would never be the same after his stroke and illness. That's why God took him, no more pain and suffering. Prayers to all the family! especially his daughter and two son's. You will truly be missed.*

“ I am proud to have had Ram as my Badger friend. We shared many Wisconsin alumni events together. He would always capture wonderful moments with his trusty camera. We will miss him terribly and he will forever be in our hearts. March on dear friend and play your French Horn with the angels. On Wisconsin!!!
