“ *Johnny and I met Mr.Barrera through Ray. We always felt so comfortable with him. He was a very humble man that my impression was that there was never a soul he would help. Our times together were spent eating and laughing and having a good time. I thank God for his life. We pray for peace for the family. He will be missed.*

“ *Ramon was a very good friend that I've known for many years. We worked together at Kelly AFB. As Kelly closed we were separated and only recently we started meeting again. We had great conversations over breakfast. Or just hang out at my house. He will be missed. My deepest condolences to his family. Take comfort in your friends and family. God Bless. You're friend Alan*
