Ramon Menchaca

April 24, 1951 – October 2, 2016

On October 2, 2016, Ramon Menchaca, while out enjoying the beautiful fall weather riding his motorcycle named "Marla" a Heritage Harley Davidson, with his fellow Blue Knights Chapter XII-motorcycle club, he met his untimely death by accident doing what he loved. Ray, wore many hats figuratively and literally, he was a son, brother, husband, father, and brother in blue. He retired twice from law enforcement-Balcones Heights Police Department and Alamo Community Colleges, because his passion for the law was embedded in his heart. His wife of 45 years, Dolores, had three daughters, Maria Elisa Menchaca, Andrea M Alvarez and Monica Ann Menchaca and each of who he talked proudly and with pride. He never met a stranger and had compassion for animals. This was my dad, you may have known him by another name, but to me he was simply Dad. Visitation will be from 6 PM to 8 PM on Friday, October 7, 2016 at Mission Park Funeral Chapels North with a Vigil/Rosary at 7 PM. A Celebration of His Life will be at 12 PM on Saturday, October 8, 2016 at the Balcones Heights Police Dept.

“ Ray was a brother, a friend and one heck of a guy. Anyone who know him loved him as I did. Spent many a shift working with Ray, always knew he would be there if I needed him. Ray you will be missed by so many.

“ I met Ramon over 35 years ago when we were both rookie police officers with the Houston Airport Police. Even then Ramon was full of life, and devoted to protecting the passengers who passed through the airport. I eventually departed Houston, but have many memories of the friends I met and worked with during that period. My thoughts and prayers are for Ramon's family during this time of sorrow.

“ *The hardest part is not wanting to believe you're gone Tio. I would give anything to her one big hug again. You smile and laugh lit up the room and was definitely contagious. Words can not begin to explain how sad and heartbroken we are. We know you're with the Angels and that the Lord needed you home to ride for his chapter in the sky but we can't help but want you here with us. Just one more holiday... I miss you Tio.*

“ Never had I met a person who was so eager to share his knowledge and experience like Ray. As a new supervisor, and new father, and a new husband I could always talk to Ray and feel secure in his safety net of advice.

His advice is one of the reasons that I am a better father, better husband, better son, and an overall better person.

A man’s legacy is not measured by what he owned or had but by how he treated and influenced everyone he metand Ray’s legacy of being a mentor and a friend to so many of us will be his legacy.

Thank you Ray

Forever your friend, your student,

“ *Ray/Ramon "Hawkeye" Menchaca my "Brother from another mother" . You will be sorely missed by all. You were known for so many good things. So now that you in heaven, Park "Marla" the Harley and go and take a seat on the right hand of Jesus, pull out your camera, pose with that big old smile you always greeted us with, hug Jesus and say..... "Selfie!". I will always love you my Brother.*

“ I met Ramon on the night shift patrol over 30 years ago. As I got to know Ramon, I learned right away that Ramon was a dedicated Police Officer, he loved his Profession. Ramon was a family man, he always talked about his wife and daughters, he was very proud of them and was a good husband and father. Ramon was also a good friend to me, he was always a happy person making others feel good with his smile and laughter. Our prayers are with the family.

“ A great man, older brother, and terrific brother-in-law has been called by the Lord. Our condolences to his wife, daughters, and family. Those who knew him know he was a gentle giant who loved his profession as a police officer and riding his Harley "Marla". As big as a man as he was, his heart was even bigger. “ Oh tio where do I even begin... I remember like it was just yesterday that I was telling you that i made the decision to get a minor in criminal justice. I can still remember the huge smile you got on your face and hearing you say you were so proud over and over again. It kills me knowing I'm just a few months away from graduation and you won't be there to see how much I accomplished. I know you will be looking down on me from up above and guiding me through life. I love you tio with all my heart & I will always hold you close to my heart.- Your niece, Marquize
