“ My heart aches for our family, when we were kids we never think of the time we have with someone as a cherished memory, we are in the moment living and laughing and having fun. When we grow up and eventually grow apart and start our adult journey on our own we can always think back to the good times we had with Tio, Tia and all our cousins which fills us with love and joy. I am blessed to have memories of Tio that will make me smile. I pray that everyone is ok today and know that Tio will always be in my memories and ill hug my family tighter and remember to cherish the moments we have with one another as a special moment in time.

with love,

“ Our family, the Logans grew up next to the Sanchez family on Rockwood Ct. Jimmy and I spent hours riding our bikes and running up and down the streets with the high curbs. I will always remember how the Sanchezs took care of of our Mother, Haverlyn after our father died. Ramon and Maria watched over Mom's house and would bring her food. Her favorite was Maria's tamales. The Sanchez's family were the best neighbors we have ever had.
