“ *I worked ten years with Romana, night shift, at Wilford Hall MC. She was the best no non-sense nurse, who taught me all about patients with cancer. I will always remember her genuine smile and her ability to never miss a blood draw; she could draw blood from a turnip! She will truly be missed. My thoughts and prayers to the Bell family.  
God Bless,

“ I worked with Ramona for many years at Wilford Hall Medical Center. She was such a dedicated, compassionate nurse who truly cared for her patients. I fondly remember her reminding me to finish working and go home to care for my family. She took care of everyone. God Bless her and give comfort to her family. Cindy Burke
