“ *Uncle Bubbs (Buddy Woodall) it's been 3 whole days and I still don't know how to accept that you're gone. Thru you, I had the last link and a small piece of my beloved Grandpa Howard and I will never forget the way you made sure these last of our visits, to tell me again and again, my favorite story of how y'all meet at Church. You finally get to watch over us all together in paradise, your friend, "That tall Sumvagun Preacherman Howard" and his " Little Buddy". I miss y'all too damned much and it sure hurts. I won't y'all down tho. Red's one that's gonna get make sure it's done even if I can't stop crying just yet. Love y'all soo much.*
