My mom I love you dearly. I cannot believe your not here with me. I will always need your hugs, kisses, laughter, and advise on how to be a mother. Give me the strength to do the same things as if you are here. You are my angel and watch over me when times get rough. Watch over me and your granddaughter and grandma. Fly high mommy and don't stop. Now you have no worries, your stress is over. Mommy, now you rest, now you are my sunshine, you will be the sun up in the sky that I will always look for a brighter tomorrow. I love you so much mommy, I'm not sad because I know you will be taken care of in God's Home. May you and Andrea keep dancing in your high heels and her in

her cowgirl boots. Mommy I thank you for the life you gave me and thank you for showing me the motherly love. Mommy I love you forever and always.
