Thank you for all that you brought to my life. All your love, laughter, and support. You brought so much life into mine and I can't stress how grateful I am to have gotten the chance to have you as my Tia. Your laugh was always so infectious and you made everything seem so positive. You always went out of your way to be there for everyone's successes and celebrate them as if they were your own. I love you and miss you with all my heart and I hope to continue to make you just as proud now that you're in heaven.

“ *Our condolences to you Oscar and the rest of the family. We prayed for your sister when she was ill and now she is well and at peace. It hurts so to let go but let go we must and we as believers know that we are not without hope. When we are believers we know we will meet again. In my heart of hearts, I know your sister will always be with you in spirit. They never leave us, they live in our hearts forever. To her family, we give them our condolences as well. May God bless you and carry all of you through this sad time. God bless all of you. Patsy and Johnny Balderas*

“ Dear Loving Sister,
The day you left us has been one of the saddest days of our lives. You were a woman of great faith who was very devoted to God and her family. You will be greatly missed. You're heart of gold touched so many people. Your loving spirit will live in our hearts forever. Our bond as brother and sister can never be replaced. It is said that memories are the windows to the past. The wonderful memories of you and the family are so special, they will be with us forever. To your children and grand children, May the Lord give you strength and comfort, especially in these times of pain and sorrow.
(Jesus said:) "I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die." (John 11:25-26).

You always made me smile when I saw you with your beautiful personality you had. Thank you for always caring and loving me unconditionally. “ Hi cousin Rachel, it's me-Juanita (Roy's wife)-I'm so sorry I didn't get to say goodbye for a little while as it's always difficult to lose such a precious family member. To be honored to be a part of a really special family is more than words could even be placed in writing. But YOU, cousin Rachel were the most precious family member to me. I have many words of "kindness" and "encouragement" that you always shared with me in many of our conversations and i will ALWAYS remember. One of the places that I will cherish the most about our "talks" is at the kitchen table of your Tio Raul & Tia Minnie's home making the annual tamales (for me, it's been well over 25+ years) and both of us loving the queso & chips! Wasn't that the best fun ever! You had such wonderful memories as a small girl and while your children were growing up I loved hearing about each of them to include all of your grandchildren. What a very special mama, grandma, as I'm sure sibling you were to your family. You're an amazing blessing!!! Thank you, cousin Rachel for making my life on earth richer and healthier because i had the opportunity to meet you, learn from you, and to be loved by you.

I'll think of you often when I'm speaking to your cousin (my husband), Roy. He feels as rich as I do and I'm so glad Roy, your Tio & Tia shared you with me!

This is goodbye for a little while, but the joy of knowing that I will see you again in Heaven is the best life anyone could ever have...to have a real Home with Jesus-what a true privilege that is because His life and His love that He gives us seals it all to have us be together forever!! I can't wait to see Jesus too! I can only imagine what that real Day will be like but until then, we'll miss you a lot - we'll think of you a lot - we'll hurt but smile a lot - and all because you truly made an impact and truly, we'll always remember. I love you, Juanita
