“ I wish we told you how much we loved you every day. All I could do is pray you knew how much you meant to us, how much we loved you. You were always there for me and I will regret everyday for not calling as much as I should've.. You are my foster dad and you and Sylvia showed nothing but love and happiness towards me even through the worst times, even with me being a pain. I love you and can't wait to see you again.. till we meet again, your son, Matthew.. and I love you Sylvia, thank you for always showing us love and happiness and I will be forever grateful you are in my life.
