

Raul B. Medel

November 9, 1950 - April 1, 2023

FOREVER

No one knows how I feel in losing the most important person in my life. My husband was my mentor, my friend, my love, my inspiration, my encouragement through the Word of God through all the things that I have gone through. He was there "all the time" telling me that God's destiny was the best thing for your life. Now he is gone and I no longer have him, but he left me so many memories and messages from God that I can rely on and help me continue in this walk with Christ.

It is difficult for me losing you, but I know you would want me to be happy and rejoice in the Lord because you made it to heaven and WE will meet again. Hon, I will forever honor you. I will forever love you. I will forever be your wife. I will forever serve the Lord as we did together. I will forever walk in unity with Christ as you taught me.

- Your loving wife of 40 years, Elvira Medel (KiKi).

In loving memory of Raul B. Medel, born November 09, 1950 in San Antonio, Texas and went to be with the Lord on April 1, 2023. He is preceded in death by his parents, Pedro and Aurora Medel, his oldest brother, Pedro Medel, Jr., and younger brother, David Ruiz, his sisters Janie Vasquez and Rachel

Quinones.

“ *Thank you Uncle Roy for always being a phone call away whenever I needed prayer. I know time has passed and we didn't stay in touch, but I will always cherish the moments you would stop whatever you were doing to pray with me. As you continue with your journey to paradise, we can rejoice in knowing you will continue to do the Lord's work. My prayers go out to your family and friends who are still here. My condolences to my aunt Kiki, cousins Gina and Baby Roy, and your many grandchildren and great grandchildren.*

Roy, Quite a story, you deserve a movie or book made of your life. Roy Medel, Lanier Vok, Slicks Car Club core member but most of all a very special Son of the Father. The true epitome of the only constant in life is change, one day at a time, understanding that without faith it ain't gonna happen. Thanks for the memories, thanks for setting an example of coming into the light. I'm feeling self disappointment because myself and a some friends from back in the day, veterans of the United States Armed Forces, had been saying "let's go see Roy" but Mexicanos, we're the worlds greatest procrastinators, never did. We didn't get around to seeing you here but we'll see you when it's our turn to go home, save us a spot. Love you Roy. Rest in Peace. Gilbert, Ricardo, Martin and Jerry "El Squeaky"
