

Raul O Reyna Jr

September 19, 1948 - February 25, 2022

"Raul O. Reyna Jr. passed away peacefully in his home on February 25, 2022, where he was most comfortable and at peace. Raul was born on September 19, 1948 in Laredo, Texas.

Raul grew up in El Paso, Texas and was the eldest of nine children, his brothers, Carlos, Richard, and Robert, his sisters, Laura, Norma, Elsa, Sandra and Patricia, born to Raul O. Reyna, Sr. and Maria De La Luz Reyna. He was a devoted son, who loved his parents dearly. In his younger days, he served his country in the U.S. Navy during the Vietnam War. He then went on to become a disc jockey for many years, where he was voted number one DJ in El Paso many times for his extreme talent and great sense of humor. He put a smile on everyone that got to meet him.

He later moved to San Antonio, Texas, where he followed in the footsteps of his parents, in the Driving School Industry. He believed in hard work and it shows in the legacy he left behind as a business owner of his own schools. Raul was a man that did everything he could to help others, always willing to help those in need. He fought for what was right. He was strong willed but very kind. He was someone that would remember everything about you and would call you first thing in the morning on your birthday.

He was the king of his castle and enjoyed his quiet solitary life in his later

years. He loved watching the birds in the early mornings before getting his boots on to start his day on his ranch. He loved ice cold lemonade in the warm summers, listening to good music in his nook and eating home made burgers made by his wife and soulmate, Liz Reyna.

He was a father of six children, whom he loved deeply, Sandra, Evette, Christopher, Raul, Rebecca and Alex Reyna; a loving grandfather to Carolann, Amanda, Ashley, Alissa, Aliana, Andrew, Autumn, Emilee, Geovanny, Aranza and Marco and his great grandson, Samuel Rain.

He will always be remembered for his huge spirit, unique sense of humor, booming voice and the love he gave to everyone who walked through his doors. He will be missed dearly.

His funeral service is scheduled for March 14th, 2022 at 10:30AM at St. Mary Magdalen Catholic Church, officiated by Father Larry Sergott. "

“ Tio Raul,

You were on my mind today. I was reflecting on your smile and the many ways you touched my life. I remember listening to you on K98 here in Austin and being so proud to tell my friends that MY UNCLE was on the radio. I remember as a child watching you DJ at events and helping you to pick the next record and switching the lights on and off on your DJ table. I like to think that your influence and love for music had a profound effect on me too. Thank you for that Tio. Give Papi and Mom a hug and kiss for me. I look forward to seeing you again one day in God's presence and surrounded by His peace and Glory. I love you Tio...

“ You taught me to say yes instead of yea , that there was a difference between a woman and a lady, that you need 100 lemons to have a carne asada , lots of them to marinate the meat and the rest to make the guacamole.

You came to my rescue more than once, you were my biggest cheerleader and one of my biggest fans growing up. Let's not leave out great at embarrassing Sandra and I by honking your horn like it was an alarm , when we got out of the car at school. You might have categorized that as character building or maybe you just plain enjoyed it.

You are a teacher at heart and a big personality. I'm sure that's why you did so well as a D.J. I can still see you at the white board , teaching the class, flailing your arms and pushing your hair over to the side cause it had fallen from

Your animated teaching. Or at the computer working on curriculum for the driving school. You loved to talk and so do I, mom says we have that in common.

You are one of a kind. We love you and we'll miss you. P.S., we'll take good care of your Lizzie Gal.

“ Tio was truly one of a kind. He was so clever and funny. I always saw him with a smile on his face and he would do whatever he could to put one on ours. Every time I saw him he would make it feel like no time had passed and he always picked up right where we left off. Rest In Peace, Tio. I'm sure Mom is happy to have you

“ Dad and I were cut from the same cloth, and we'd joke about being birds of a feather, our spirits just clicked and it was almost like we spoke a language no one else knew. The good memories I have with him I will always hold close to me; there was no one like him, and I don't know if I'll ever meet one like him again. I am lucky to have gotten to spend so much time with him, and hear his voice every day, so now when I am missing him, I can hear him. I'll miss you Squid.

“ What I loved most about my brother was his wonderful sense of humor. Always playing practical jokes and teasing me. Used to call me frog face. He was also a very caring person with a big heart. He would drive all of us kids to S A. and he would make the trip so fun. I have fond memories of going with him when he had his disco and he would d.j. at parties. He was such a great disc jockey! I will miss him tremendously.Love you brother, rest in peace until we meet again ❤️
