“ *Ray was married to my dearest friend Becky for 38 years. I was reading some of the other memories and it seems he had the same effect on everyone. He was a sweet, good-natured man who always had a smile on his face. I know Becky and his children will miss him greatly but you have so many years of wonderful memories that will sustain you. He will be with you forever as long as you reminisce and do some of the activities he enjoyed. May God bless you all with strength during this most difficult time. Remember, there is another angel watching over the Lenz family.* ”

“ Ray Lenz was born into a Zachry Construction family in 1951 and we moved wherever the jobs took us. When they returned from the South Pacific, Ray graduated high school in Mathis TX where they owned the Lenz Fishing Camp. He then began a successful career of his own with Zachry in San Antonio TX.

Ray found a jewel when he met and married Becky Garza who helped him raise his children Jennifer and Jonathan and a step-son Josiah. They loved to travel and one of the more memorable trips was to Florida to see Jennifer graduate from college. His last trip after the cancer diagnosis fulfilled a lifelong dream to see Mt. Rushmore.

Ray loved his hunting and fishing, all things camo and Shiner. Some of our fondest memories were sitting around a campfire with coffee and taquitos that Mom would make after an early morning hunt.

Ray was beloved Popo to his family and grandchildren and a dear brother to me. He will be deeply missed.

“ Ray was one of the most interesting people I have ever known. He was a modern renaissance man with strength and gentleness, kindness and empathy, and skills mixed with a unique brilliance. He was more than IQ brilliant - he radiated light and an aura of love. Even his voice was special and I can hear it as I write these words. He made me laugh. Ray's wife, Rebecca, is the only person who is more wonderful. Her spirit sustained Ray - not only Ray but Ray's entire family and hers during tragedy and triumph. Their union created an aura with a sort of serendipity that expanded like fireworks to propel love with wisps and sparkles that reach eternity and beyond. God's kingdom is receiving a sustainer of infinite value. I have appreciated Ray for all the years of his marriage to Becky - an angel whose wings have blessed me with too many memories to record on this tribute to a partnership that is not ending with Ray death. May love embrace Ray forever. Sheryl Russell
