

Raymond "Ray" Harlos

August 24, 2021

Beloved husband, father, grandfather, and friend Raymond "Ray" Harlos passed away peacefully at home on August 24, 2021 at the age of 86. An only child, Ray was born in San Antonio, Texas to Emil and Tillie (Wetz) Harlos.

He is preceded in death by his parents. He is survived by his wife of 61 years, Eyvone; daughter, Melissa Uhlhorn; son, Darryl Harlos; granddaughter, Emily Uhlhorn; and other extended family members and friends.

Ray was a kind, loving man who always had a joke to tell, a smile on his face, and time to spend with family. He had a thousand stories to tell and seldom met a stranger. He loved to tease his family and friends and wasn't shy about expressing his opinions. Born and raised in the San Antonio area, Ray spent many happy childhood days with friends exploring the downtown area. He also enjoyed spending time with his grandparents on the Wetz family farm in Wetmore. After high school, Ray was drafted into the Army and spent time in Germany as a PFC. All of these early life adventures became the basis for some of his most enduring tales.

Ray channeled his love of cars and all things mechanical into a successful career in automotive repair, eventually owning his own repair shop in New Braunfels, TX for 21 years. After retirement, Ray still loved to tinker with engines and spend time engaged in one of his favorite all-time pastimes—

driving.

“ Ray was 11 days from being 87 years old. We experienced a lot of hardships and tears over the years, but also a lot of laughter and even more love. My daughter once told me I couldn't have picked a better man to be father to my children, and it is a very true statement. He always knew what to say to calm and to soothe, and if he found himself in a situation requiring a little more decision-making than he was comfortable with, he knew to say, “Go ask your mother!” Between the two of us, we raised two amazing children and there isn't any better legacy than that. --All my love, Eyvone
