“ I had many great times with Ray at work and with the IBEW. Enjoyed drinking a few beers and catching up with Ray at the retiree meetings. Ray was a good friend and always enjoyed the famiy on the river. Thoughts and prayers for Gloria and the family.

“ After Ray’s and my husbands retirement, we started traveling, mainly Casino trips, always having great times. Then the real vacations began and great memories began. We will always cherished those trips. There are so many good times with the Klug families that those memories would be impossible to forget❤️ We love you Ray, you will be truly missed by all of our family.

“ The first thing that comes to my mind about Ray is water skiing on the Guadalupe River at Uncle Raymond and Aunt Evelyn's place in Sequin. Many great weekend trips with the family were made there. The swimming, the water skiing, the being pulled on an innertube tied to a rope behind a boat, the midnight running of the trout lines, the bar-b-q cooked down by the river, the domino games, and the fishing. Just many great, unforgettable family and extended family gatherings. Heaven gained a great fisherman and pretty good deer hunter too.

Our love to the Gloria, Kelly, Roy, Melissa, James & Travis

“ Enjoyed working with Ray as IBEW Local 500 President and remained friends for many years after. Ray was a very honest and straightforward man. My deepest condolences to Gloria and his family.

“ I have so many memories with Uncle Ray. From him taking me hunting, birthday parties, to tubing at Medina Lake. So, many family celebrations shared and will always be cherished by all. I will miss his smile, laugh and hugs. Love you.
