“ One memory I will always remember with Ray was in 1994 Riverside apts. It was the day we heard of the death of Kurt Cobain. Bunch of us from Riverside got together by the basketball area sat on the grass in a circle with a boom box listening to nirvana. We all laughed ,cried and were in disbelief that Kurt had died. Ray Ray you were a sweet kind friend to us all at Riverside. Also ray was very shy when my mom would talk to him in spanish and always had this smile on him that made his eyes look small when he smiled. I also remember a day at Riverside when we all tried to tackle each other down and when it came to tackle me down he said Maaaaaan you are strong while pushing his glasses in with his index finger. Good times with Ray. Rest in paradise old friend. Say hi to Richard for me... My condolences to the family.
