“ We didn't know him very well, he was our neighbor and we checked on him as much as we could. Since we first moved in he thought we were the property managers and when his AC went out a couple of times he would come and ask us to call the AC people to come and fix it and he would say "my AC is on the fritz again!" We will miss him coming outside just to get a breath of air and saying hello. We are so sorry to hear of his passing and we send our deepest condolences and prayers, we hope that the family finds peace and strength especially in this season!!!
