“ From me & my family we just wanted to say how sorry we are for the loss of Reanne. I can't imagine what you're going through. I want you to know I'll always be here if you need anything even just someone to vent. I wish I could take all the pain away & say "it's just a bad dream wake up." She really made a big impact on everyone who knew & loved her. Just know she will always be with you in good & bad times. She will never forget you all.

“ Our deepest condolences and prayers to Johnny and his family. You were the best thing in her life Johnny, we will always keep our visions of Rheanne in your care. You were truly a beautiful blessing in her life. She will always be watching over you.

Like children who implicitly trust their parents, believers trust God. Faith is not about knowing everything or doing everything right. It is about knowing that, no matter what happens, our Father will take care of us. That trust in Him, even when life is terrifying and sad and makes no sense, is what makes a believer like a child. “All those the Father gives me will come to me, and whoever comes to me I will never drive away” (John 6:37). God loves His children.

Our Deepest Sympathy,
