“ *Becca as I knew her was a fighter who kept a strong will and love for our Lord and Saviour for the last few years even as the dreaded cancer shorten her final time here on earth. She was by far the strongest patient I have ever know. I loved her since of not giving up and her love for her family and her grandbabies. The day her daughter announced her second daughter was to be named after her the smile she had lightened up the entire room. Gone but never forgotten.. Thanks Becca for allowing me to be a part if your life I will always cherish. Randy Becker ACS "Road to Recovery" driver!!!*
