“ *Rebecca had the nicest smile! We graduated Harlandale High with Graciela. Rebecca got a car in 1971 and she would take me to school sometimes. Later we worked at Woolco on Fair Ave together. In 1976 she was one of my bridesmaids. We sent holiday cards for years but lost touch in the 90s. Rest in peace, dear friend. To her family, so sorry for your loss.*

“ *Missing you Mom. I know your in a wonderful place with our heavenly father and dad is right there with you. You are both missed and I look through your door daily and I see you eating your last meal from dad's seat and I see you and him look up at me blended and smile. Thank you for taking care of me from the moment you met dad and for dealing with all that I tossed at you. You were born Rebecca given the name of Becky, Mom and Momo may you finally enjoy all that your have been longing for. Love you!*

“ *We loved Becky and she was such a blessing to Ray and the kids. I remember how thrilled she was that we found Jose's family research a few months ago that spanned from Spain to the Alamo! A distinguished family. Becky was as sweet as her Mother Gloria. She will be so missed but she is at peace now and out of pain. Cherish the promise that we will all be together again! Love, Marvin and Ann*

“ My very first friend I made when I moved to Texas 9 years ago and we made fast friends. The sweetest person on this earth and the best neighbor you could ask for. I will miss you my friend. Go rest high on that mountain with Mr. Ray.

“ *Becky was my oldest and dearest friend. I met her in junior high school and remained friends with her until now. We could go long spans of time without seeing each other and just catch up as if no time had passed. Becky is the sweetest, nicest person I have ever known. I never heard her get angry or raise her voice. She LOVED Ray and the kids. Her loss is leaving a big hole in my heart that no one can ever fill. I love her like family. She always made me feel loved in return. May she rest in peace now, holding on to Ray's hand.*
