“ *Becky, with a heavy heart I know we have to say goodbye to you, but you fought a long battle and now it is time to rest. Thank you for always being there for me when times were hard and when times were good. You always knew the perfect thing to say when asked. I always depended on your wisdom and advice and a memory! When we couldn't remember an event, or who was in a picture, we knew you would. I don't think I ever thanked you for all the years you walked us to school and protected us, or when you took us to the movies downtown on the bus when we were young, but not much younger than you.*

You were gracious, honest, and wise. I will miss you terribly !
THANK YOU for being the perfect BIG SISTER.....Love, Patsy

“ *Thank You Becky for giving me my Gibby. I owe so much to you and Mr. Marines. My happiness is because of you. You and dad raised sons who will do anything for their family. I loved witnessing you look at your sons and being so proud. There is always so much love around us all, and I will always be thankful to be a part of that. We will miss you.*
