My Dearest cousin Becky, I know you're not suffering anymore as you have been lately. I'm missing you So Much! We were like sisters when we were little, and as adults laughed over the memories. You were also my support when I needed someone to talk to, especially after my husband's passing. I'm so happy that we got together the times we did after mom and dad were gone. Those times will always be fond memories. I love you cousin Becky. My heart hurts that you're now gone, but you will always remain in my heart. ❤️ Rest In Peace Beautiful Cousin! 🙏 ✨ 🕊️ ❤️
