“ *I have so many memories of Becky and her loving spirit. Becky has been a friend, therapist and hair designer to me for I believe 17-18 years. We shared so many stories. She is definately a talker (I'm sure she still is) and she always always encouraged you to find your art your craft. I am still in shock at the loss and know unequivocally that our broken world has lost a beautiful spirit. I miss her so much. I know Becky is good, she is with her savior - it is her children, family , friends and customer/friends who I feel so sad for. Becky I will think of you often you were/ are a bright star! Miss you to eternity!*
