“ Mom, there are no words to describe how hard life is going to be without you, Mom. Things will never be the same. My kids and grandchildren are going to miss you just as much as I am. You were everything to me; my rock, my best friend. You were the one I would go to when I needed to share a secret, a laugh, and even a cry. You have been there for me and my kids through it all. Thank you for always being there for us. Thank you for always lending a hand, an ear, and most importantly, Thank you for being the greatest Mom anyone could ask for. I was blessed to have been given some of your traits and everything I do, will be in your memory Mom. I love you. I will always love and miss you. I know you are at peace and no longer in pain or suffering, but I wish you were still here with us. You left us with so many beautiful memories. Watch over us from the heavens Mom. Give Johnny a big hug for me too. I love you more than I can ever tell you. Rest in Paradise.
