“ Every time I was with Becky, it was filled with laughter! Our time together we would talk about what the Lord was doing in our lives, but I have to admit a few off color jokes would be shared, and we would laugh until tears came... Becky was full of joy and I know so many of people , that we love, welcomed her at the gates of heaven... It's wonderful to know that one day we will all be united again and we can continue our game nights that all of us so enjoyed for so many years together... I'm sure Heaven will have game nights! lol I will be keeping all of her family in my prayers, she loved her children, grandchildren, her sisters and brothers so deeply...

“ *If there wasn't so much love, it wouldn't be this hard to say goodbye. In this moment when there are no words, know that the ones we love remain in our heart and in memories forever. My Aunt Becky was always a beautiful, genuinely loving woman who had a special glow and a special gift that made everyone who met her, smile and immediately feel like family. I know our Lord and Savior has welcomed her into his Heavenly Kingdom with open arms. I pray for all of our families especially the Moreno Family during this time of mourning. God Bless*
