“ *Becky was an amazing beautiful lady, fun happy energetic loving caring person. We were close friends who met and worked at Frost Bank & I looked forward everyday to go to work and enjoy my time working with her. The happy hours and parties were always great cause she lit the room everytime she walked in the room. Sadly I had minor surgery and had been recuperating during the rime God called her to heaven . I'm devastated to hear about her passing as I just learned about it today 2/21/26 after not getting a response from my Valentine's Day wishes to her. Becky your last text to me in January , asking me to take care of myself , that meant and will always mean alot . I think you knew you were leaving me here . Until we meet again my crazy loving friend. Rest in peace Henry Cruz.*
