“ Hey brother i guess ill be seeing you on the other side my friend. we had some badass times growing up together riding in your white 4 door chevy. Playing football or basketball on the empty lot with all the guys, hanging out on the corner kicking it keeping our neighborhood safe. I will miss you dearly my friend no matter what i did you were always my friend.

“ Our deepest condolences to your family Tia Teresa.

We will always remember CUZ Rene with love laughter and now tears. I also do know that Rene was passionate about all the adventures that life had to offer, and he was always ready to share a story or two about his life experiences. His laughter was contagious in a room full of people. I know my family will always remember him with lots of love and laughter. Growing up with him in school will always be a fond memory for me. Rene was a true courageous man. As a mom I can only hope that Rene's big Heart will be carried on in my family. Once again our deepest condolences for the loss a wonderful man RENE. xoxo
