“ Dam bro so many years have passed. I've aged quite a bit and don't feel the need to have as many friends as I used to. Still I'm reminded of our short friendship. You being respectful to my family, your daughter playing with mine. She's gotta be about 20 yrs old or so. Time flies! I hope the best for your daughter and family. I could use a friend like you now. Stay in peace and I'll see you when I see you.
