“ *Our relationship started kind of rocky but I'll forever be grateful for how we close we were able to get in the last few years. I will miss our long, crazy, funny talks that most of the time consisted making fun of Randy. For as long as I can I promise to take to take care of him. Don't worry. I'll miss you, thank you for considering me your daughter in law even though we were never able to make it official. I love you mom. Rest peacefully.*

“ I will always remember Renee for the care and unselfish love she gave to her husband and my little brother, Lenny as well as the care she gave to my mother Barbara. Renee was a fine example of giving and I am certain she is being rewarded.
