“ We are gonna miss you so much. Words can't describe how much we are all missing you. From your jokes. To your music and your break dancing. I remember the first time you showed us how to break dance and the first time I listened to freestyle music. I'll never forget all the laughs, all the good times. Love uncle Rick

“ Dear tio, you already know I will miss you so much. From your good moods to your moody ones but that never last long till I came around. So much laughter and smiles we had. The streets wont be the same during the holidays without you riding your bike with Christmas lights. Oh cant forget the bell.(ring,ring,ring) Lol Now your free and i bet your trying out your new set of wings with grandpa. Wont be long till you find a way to add a little Christmas to them. I love you, love your niece Crystal
