“ *From the first day I met you, Richard we became friends. You always had a kind word or ready to assist in any way and your smile always brightened my day. I will miss your smile and the lack of your presence here will be felt daily. You made my world a better place and I feel both blessed and privileged to have known you. You are in the hands of the Lord now and I know you are still assisting in any way you are asked. Missing you Norma* ”
