

## Richard Joe Del Valle

November 14, 1941 - July 3, 2023

Richard Joe Del Valle of San Antonio, Texas ascended into heaven on July 3, 2023, at the age of 81.

Richard was born in San Antonio, Texas to Otilia Brugnoli Del Valle and Guillermo Del Valle on November 14, 1941. He graduated from Burbank High School and earned an Associates of Applied Science degree in Radiologic Technologies from San Antonio College.

He worked for the Baptist Health Systems for over 50 years in many roles, retiring as the Administrative Director of the Nuclear Medicine Department.

Richard was known best for his hospitality and kindness. Everyone was welcome in his home and even the smallest of life's milestones was celebrated to the fullest. These celebrations were filled with joyous music, amazing food (which included his delicious BBQ), and love.

His deep love for his family and friends also extended to his community. He was active in many charitable organizations which included the Knights of Columbus, Habitat for Humanity, and the United Way.

Richard believed in living to the fullest and it's no surprise that his many hobbies and interests included running marathons, bicycling, bowling, fishing, billiards, and dancing with his beloved wife, daughters, and granddaughters.

Richard is survived by his wife of nearly 56 years, Maria Gloria Del Valle, his children, grandchildren, great grandchildren, and a beautiful extended family.

“ Querido Ricardo: tu familia de Salamanca, te despide con todo el amor y respeto que siempre te tuvimos todos. Se va uno de los mejores hombres que conocimos, un gran hijo, un esposo, un padre, un abuelo, un amigo que siempre, sin condición estuvo siempre dispuesto. Tu familia de Salamanca, te despide, y espera que tu esposa e hijos, nietos, y familia encuentren resignación y consuelo por este dolor que deja tu partida. En lo personal, yo, Toña, te despido, pidiendo a Dios te reciba con todo su amor.
