“ My sincerest condolences go to all of the Killian family. I was an Aggie Classmate of Dickie's older brother "Bob." We were in "B' Field together, Class of 1953. Bob always had the best of things to say about his two younger brothers. These brothers were very blessed having 'Doc' and Ms.Killian for parents. Bob, his Mom and I played golf together at the SACC several times as well as visiting their ranch out Bul Verde way. The brothers shared many admirable traits, not the least was a fine intellect and a great ability to gain knowledge through their education. The world, Texas and San Antonio are hard pressed to replace the Killian brothers.

“ Great Aggie '59 classmate, short term roommate, friend, occasional rambling buddy. We almost failed an early morning, very dry and boring eco class together. Looked forward to recent year lunches with him and John Chamberlain. Loved and will miss him. RIP Dickie

“ Dear Kelly and Kathryn & Family;

Thank you for sharing the very sad news of the passing of your wonderful Father, Grandfather & Friend. Using his e-contacts was brilliant.

We had the good fortune to meet him and Carol Ann when we lived in Houston, Texas; introduced by their close friend, Marcia Huggins Jahncke. We continued to keep in touch when we moved back to Canada in the late '80s...right up until his last recent email.

Sending you all our deepest condolences for your loss and the hope that his memory will be a blessing.

*With Love to All,
