Richard "Dickie" Theodore Magott
March 3, 1942 – December 20, 2025

Richard "Dickie" Theodore Magott, 83, of San Antonio, Texas, passed away on Saturday, December 20, 2025. He was preceded in death by his parents, Theodore Magott and Agnes Sultenfuss Magott.

Born on March 3, 1942, Dickie lived a life filled with love and laughter, and always wanting to make you smile. He worked at Jax / Halo Distributing for over 54 years, where he was known for his hard work, dedication, and loyalty. He was a legend in the beer industry! Everyone either knew him or heard of him and wanted to meet him. A real character he was – one of a kind. Dickie's career was a testament to his commitment and pride in his work, and he formed lasting friendships with many colleagues throughout the years.

Dickie will be remembered for his unwavering support and his bright and humorous spirit. He was not one to show too much of emotion, but instilled family values and strong work ethics. He was a provider to his family and constantly demonstrated his passion making people laugh.

Dickie was a carefree person, never needing much, center of attention, liked to cook (ok – just goulash, chili, and beans), loved playing softball in his

younger years, loved his Dallas Cowboys, and loved going to Kickapoo hoping to win the big one so he can share his wealth with family and friends.

Dickie is survived by his beloved children, Bridget Rodriguez, Son-in-Law, Rene Cervantes, Jeannette Doebbler, Son-in-Law, Byron Doebbler, Jeffrey Magott, Brittany Magott, and Tucker Magott, Daughter-in-Law, Sydney Magott, grandchildren, Bryant Doebbler, Dalton Emery, Dominic Rodriguez, Justin Touchstone, Kaitlin Doebbler, and Jalyn Magott, great grandchild, Vernell Doebbler, siblings, Mary Agnes Friesenhaun, Angela Hoyer, Carolyn Haese, his twin brother, Robert “Bobby” Magott, Raymond Magott, Thomas “Tommy” Magott, girlfriend of 13 years, Socorro Flores and numerous extended family and friends who will miss him dearly.

Rosary is at 9:30am, Mass is at 10:00am and his Celebration of Life will continue at Holy Name’s Hall at 11am. Lunch and beverages will be served while reminiscing and laughing the way Dickie would want it!

“ I'm sorry I was not able to make it to the services today. My father Wes Zotz and Dickie worked together for several years and had many adventures together. I have made a donation to St. Jude in Dickie's honor. I know he and my father put together golf tournaments and fundraisers to raise money for St. Jude and it was a charity that was close their hearts. My condolences to all of Dickie's family.

I had to dig around to find this picture. I can't put an exact date on it but I do know it was probably mid 1990's. That is our Dickie in the middle cutting up as usual. Left to Right - Me on the far Left (with hair). Bob Harle, Dickie, Stan Worley, Linda Giddons, Roy White (RIP), and I'm sorry but I can't remember the gentleman on far rights last name, I think his first is Tommy. These were very good times at the Old Halo Distributing Christmas Party. I wanted to share with all of you that knew Dickie especially his Family. This picture shows "The True Dickie's Personality."

Where to start? There is no way to put down all the memories of close to 45 years of friendship with this man. I first met him on the very day I was hired in the Colonel's office on my interview. I was hired on the spot and put under Dickie in our Draft Beer Department. I remember the exact day. It was July 12th, 1981. I ran a keg route for Dickie for seven years before being promoted to Management. I worked with him for another eleven years before leaving the Beer Business. He was my Mentor first, and my dear friend second. Dickie could be having the worst most sad day of his life and you would never know it. He always had a grin on his face. We were building Families (his second) together. Our kids were all born at the same time and grew up like brothers and sisters. We took vacations together and were very close. One summer we went to stay at the "Port Royal" resort in Port Aransas (this place has lots of memories). My Daughter recently reminded me of this. The rooms are like apartments with kitchens. He had loaded the dish washer and then realized we had no dishwasher soap. Well, he put laundry detergent instead turned it on and we left for the pool. Needless to say, when we got back to our room there were suds everywhere. My Daughter just turned Thirty Seven and still remembers this funny event. It took some cleaning to get in the kitchen. He was a Caricature to say the least. Men don't have tons of friends they can call Best, but he was mine. He is already sorely missed. I want offer my condolences to all of his family for their loss. "Vaya Con Dios, Go With God" My Friend and may you "Rest In Peace".

“ The “Dickie” Magott family,
I came to Halo as a guy that knew nothing about the beer business. I was fortunate enough to have Dickie as a boss. I learned so much from him, not only the business but how to treat people. He was the best at both. I was an older guy and he put his trust in me. The best story I gave is that his son, Tucker, and my daughter, Morgan, were born the same day in the same hospital. Needless to say there was some beer brought in to the hospital and the nurses weren't very happy. I have some of the festivities recorded on a VHS tape. It was a pretty wild time.
My sincere condolences and prayers for the family at this sad time
