I am Richard's older sister; Christina Dixon and we have another brother that was not mentioned: Jesse Massiatte. I will miss my brother, Richard. He loved to cook and made some fabulous menudo. Yes, he loved his beer and enjoyed joking around. You have been missed and I know you are in a much better place now.

“ *I met Richard when I became friends with his sister. If I stayed too late in the evening at their home Richard would give me a ride home. He'd be in driver seat, his sister in the middle with me by the door of the car. That was always a snug and fast ride to my home. And when I later became friends with his wife Alice, Richard never changed. If I stayed to late visiting, he and his wife would drive me home.*

Richard wasn't always talkative when I was around unless he was rooting for a sports team. Knowing Richard all my years around him and his wife/family, his words were limited with me but he always made me feel at home when I came around. Richard never limited his hospitality to me with coming to his home as a babysitter, family friend or dinner guest.

May you Rest In Peace 🙏

“ *My sincere and deepest condolences to Bobo, Cindy, Randy and the entire Martinez family and especially to my sister Velia, his companion of over 20 years. We have many wonderful family memories of Richard- his laughter, his crazy silly jokes and most of all his presence. We love him and miss him dearly. His passing is still unbelievable to us. May God give him eternal rest and give the family strength and peace during this very difficult time.*
