

Richard Juarez Morales Jr.

July 27, 1952 - February 14, 2021

Our Dad, Richard J. Morales Jr. went to be with the Lord on February 14, 2021, at the age of 68. He was born to Richard and Mary Morales on July 27, 1952. He was preceded in death by his parents; brother Rolando Morales, Sister, Rebecca Rodriguez and grandson, Maximus Morales.

After high school he felt the call to the ministry and went to Latin American Bible Institute in El Paso, Texas where he studied for 2 years. He then went on to serve at La Trinidad AG as interim pastor. He then proceeded to start a church called One Way Chapel AG on the southwest side of San Antonio. Following his term at One Way Chapel he then proceeded to serve under John Hagee at The Church of Castle Hills now called Cornerstone. His final pastorate was at Palm Heights Baptist Church.

Dad was a career Ford salesman. There is probably not someone reading this that he did not sell a car . He started out at Gillespie Ford and went on to help start Southway Ford in the southside of San Antonio where he served in different capacities for

many years and finally Anderson Ford
in Boerne, Texas.

Dad loved to BBQ, listen to his records and tapes on his stereo at home and loved spending time with his family. He loved going to thrift stores which helped him build up his collection of books. He loved old westerns and watching football.

Dad is survived by his wife of 35 years, Martha Morales, his sons Richard Morales III (Elizabeth), Christopher Morales (Lena), Matthew Morales (Andrea); daughters, Jennifer Cardenas, Stephanie Balzadua (Salvador); brother, Robert Morales (Jean); and aunt Valentina Hernandez, seven grandchildren and numerous great grandchildren.

Tribute Wall

MM

“ After 35 years I finally realized how much I loved you, we had some hard times but now I see how much I miss you! However it brings me joy of where you are and who you are with, my heart is comforted with the fact that you are with our Lord and Savior. So now I will try my best to take over what you always did, I will show our children what a brave soul you really were. I will always love you, your wife Marty.
