“ You will be missed so much, this is why always making us laugh,

“ Oh, BOSS!! Thank you for roughly 10 years of friendship, hardship  
and assistance. To think, We'd initially crossed paths because of  
CGI. Even when you were no longer 'my boss' you were still the  
boss. And much like the Golden Girls, "thank you for being a friend."  
Rest easy in heaven.

“ Through all the years and the personal ups and downs, the gaming,  
and a glass of tea, our friendship endured. Love and miss you, my  
brother.

John Tijerina - February 24 at 08:04 AM

“ *We spent every weekend and most week days as well. Sitting around the tree rolling dice and creating adventures. I Love you brother.*
