

Richard M. Neil, Sr.

June 13, 1931 - January 10, 2009

NEIL

Richard Marshall Neil, Sr., went to be with his Father in Heaven on January 10, 2009. He was born June 13, 1931 in Pleasanton, Texas. He was born to Bertha Larison and John Robert Neil. He was preceded in death by his parents and then recently by his son Richard Jr. on November 23, 2008. Richard is survived by his devoted wife of 44 years, Anna, and he was a tender, loving father to his seven children, Jo Lynn Miller, Deborah Lillard, Richard M. Neil, Jr., David Meissner, Carol Dawn Arnold, Lisa Gay Hartmann, and Patricia Gail Miller, and their spouses. He was a loving grandfather to 15 grandchildren and six great-grandchildren. He is also survived by four sisters, Dorothy Lee White, Doris Katherine Classen, Lillian Marie Chapman, and Betty Jean Cox and numerous nieces and nephews. Richard was also a true patriot before, during, and after his 2 year service in Korea from 1950 to 1952. He came home and worked long nights for the Southern Pacific Railroad as a machinist, and even longer days out of his garage starting his Air Conditioning/Heating business which he named and registered as County Wide Service Co. in 1960. He was a very true and honest businessman to his customers and his loving employees, some who have been with him for 25 to 30 years. He was the first Ist County Wide anything in the Yellow Pages. He was such a good man, and he helpfully and lovingly touched the lives of so many, and never wanted anything in return. God blessed him with excellent health until Parkinson's Disease took him over in 1985. He fought the good fight against it until, we believe, the Lord said, "It's time to come home with Me now, my beloved son, and rest with Me".

“ I was diagnosed with Parkinson’s disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It’s been a life-changing experience I feel more like myself again, better than I’ve felt in years. If you or a loved one is struggling with Parkinson’s disease, I truly recommend looking into their natural approach. You can visit their website at www.naturepathherbalclinic.com

“ Richard was indeed an icon in our HVACR industry. He was a quiet and unassuming gentlemen who loved his work and loved and appreciated his coworkers.

Our industry needs more of Richard's type.

He will be sorely missed.
