

## Richard Xavier Peña

January 28, 1948 - September 24, 2015

Teachers and Coaches are amongst the earliest role-models in many young lives. The ones that impact our lives the most stay with us the longest. The outpour of emotions and stories from ex-students showed that our father was held in the highest regards. We as a family were truly blessed not only to have a teacher and coach, but a loving husband, father, and grandfather.

Our beloved Richard Xavier Peña was born January 28, 1948, and was embraced by God on September 24, 2015 in San Antonio, Texas at the age of 67. He was an educator & coach for many years at Edgewood ISD, which included schools Truman, Gus Garcia & Memorial & Kennedy High.

He is survived by his wife of 40 years; Viana Peña; sons Jeret Peña Jin ; Jorel Peña; daughter Jordan Peña ; brother George Peña Stella, sisters Kateri Zertuche Raul , Rita Carrillo Roland; Joseph Peña Sylvia; he is also survived by his grandchildren Zaynah, Venice, Vida, Jadis & Tristan; and many family members and friends. Richard will be dearly missed but will never be forgotten.
