“ While flipping thru my radio I heard Richard singing and at this time I was going back and forth to Arizona but I started going to Richard's events whenever I was in town-we met and whenever he would see me he would say "ah la Hermana de Phoenix ". I lost track of him when he no longer had radio shows. I loved his music because he made me feel closer to our Lord. RIP

You will always remember you in a very special manner. When we first met, I had written with music and lyrics a couple of songs. You heard them both , loved them and recorded both. Them Maria Elena heard them she also recorded them both. We will always have a special part of you through your friendship and music.
