“ *I miss dancing in the kitchen while making breakfast. I miss going fishing and looking through the telescope at the planets and the moon.*

My heart aches for you everyday but I know that one day I will see you again and we can dance among the stars.

I love you and miss you so much.

ME

Richard was a kind, gentle person. We met as kids, and I won't forget how down to earth he was. As we became older, he and Francine became inseparable, and it was Family first. It has been many years since I last saw Richard, but I miss his humor and that wry smile.

“ Richard was more than my brother in law he was a true brother. He was a brother to everyone he met human or animal. His unconditional love of everyone and everything was truly remarkable. The world has suffered a great loss.
