“ It’s still unbelievable that you’re gone Rick!! We’re gonna miss those silly phone calls and conversations!! We sure had a lot of great memories. Who’s gonna take friends and family on your famous tours of San Antonio?? No one knew San Antonio like you did!! If we wanted to go see peacocks, you’d take us to a neighborhood that had tons of peacocks running around! If we wanted to see deer, you’d take us to go see deers running loose in the neighborhood. I think I remember you taking us to go see a tiger once too!!! Fun times!! Your family , friends and all of San Antonio is going to miss you!! Your love & friendliness made the world a better!! place, thank you!! You also made the BEST fried catfish ever!!Thanks for the memories Rick, wish we had more time together!! Rest In Peace and go be with Mom, Dad, Rudy & Maria until we meet again.

With love, Lorraine❤️❤️

“ Richard...I still cannot believe that you have gone so soon. I'm sorry that I never took the time to tell you just how much of an outstanding man that you are. We only worked together a few years (Red McCombs Ford), but you remained my friend for so many years after. I appreciated when you reached out to me during the few times you had come by the dealership to help pick up or drop off a car here for service. I will miss you asking me how things are going and how the family is doing, and the laughter we shared about the good old days. Too much time has passed since that last time, and I'm saddened by that. I've read your other tributes, and it's no shock to me that you are special to so many others. You truly will be missed by so many people that have been privileged to be in your life and in your big heart. Thank you, Richard...I will miss you. Rest in peace, my brother...

“ *Dear Trevino Family. This is your cousin, Betty (Cruz) White. It has been many years since I last saw Ricky, but when I think about him, I remember all of you, his brothers and sisters when we were all kids. We had a lot of good times at your house on Vienna Way in Venice. We have a picture of Ricky when he was maybe a year old. He was so cute with his curly hair and a big smile! My heart goes out to you for your loss. Please know that I'm praying for you. With much love, Betty*

“ My condolences to the family. I worked with Richard many years ago at Red McCombs Ford. He was one of the first smiling faces my coworkers and I saw every morning. He was one of the nicest and most respectful people I have ever met. Richard always had such a friendly spirit about him that will be missed dearly. May he rest in peace.

“ My sincerest condolences to Richards family and friends. I had the pleasure of working with him for many, many years. He was a kind hearted, lovable, big ole teddy bear. He loved being a driver, talking with customers and enjoying the scenery. He always shared with me about his weekend drives when he would just go driving and looking, or his drives to California. He will truly be missed as part of our service team here at Red McCombs Toyota. See you on the other side.
